INSTRUCTOR

PUPPY KINDERGARTEN

Michelle has been training with Sportsmen's Dog Training Club since 2006 and has helped instruct the Puppy Kindergarten Class since 2009. She competes in agility, rally, and obedience. Michelle's dogs have all been adopted from shelters or rescued. She has learned a lot from the extra behavioral challenges that occasionally come with some shelter dogs. Her dogs are some of her favorite companions for hiking, swimming, and camping.
