Ellen began showing Old English Sheepdogs in conformation in the 1980's. When she got a Pug puppy in 1999, she began her adventure in obedience showing and training. Jessica was an exceptional Pug, who loved to show and show off in the ring and hear the laughter and applause. During her first foray into the Novice A ring, during the offleash heeling, Jessica decided to leave Ellen's side and run laps in the center of the ring and even around the judge! When the laughter died down, she promptly came to heel and later did a perfect recall.

After this "rocky" beginning, she went on to get her AKC UD, Canadian OTCH, UKC CDX, SKC CD, and ASCA CD. Jessica has won five High In Trials and has been the #1 Obedience Pug in AKC and Canada. Ellen and Jessica also perform with Rock n' Roll K9's, a canine performing troupe. Currently they enjoy competing in the Rally obedience ring. Jessica is now 9 and has some medical problems , but still loves to do her thing in the show ring.

After getting her AKC U.D. she got her AKC R.A.E and also APDT Rally Level 3. She also made a commercial for Ford Truck F-150. She died at the age of 12.

Ellen now has another pug named Jessica's Cassidy Jane, who just turned 1 year old. Cassidy and Ellen plan to compete in the obedience ring, as well as Rock-N-Roll K9's.
