

Lesya Layman

INSTRUCTOR

INTERMEDIATE AGILITY • ADVANCED BEGINNER AGILITY

Lesya has been involved with dogs for over 25 years. She started with obedience and recently finished her first UD and is now halfway to her UDX on her border collie Jet.

When agility first started in the US in 1988 Lesya was a member of the very first agility club in Michigan, and has been involved with agility ever since. In addition she has done herding and flyball.

Lesya is a CPE Agility judge and judged the CPE Nationals in 2006 and in 2012. She and her dogs have numerous agility titles in other agility venues as well, including AKC, USDAA and NADAC, plus titles in obedience.

Her dogs include: Border Collie, Australian Cattle Dog, Corgies, a mixed breed, Labs, and Shelties.

Lesya says she loves watching the dogs "play" at agility and watching her students succeed trialing their dogs.
