

Dena A M Norton

Puppy Kindergarten Instructor | Assistant

Dena began training her first English Springer Spaniel, Izzee in 1999. After taking just a few classes, she was hooked on training. Dena and Izzee earned four Companion Dog titles and a Rally Novice title. She trained Izzee thru Open and Utility levels in addition to Agility but health issues forced Izzee to retire from active competition.

Since 2004 Dena has assisted with Puppy classes in addition to training her younger Springer, Ford and older dog Izzee.
