

Dorothy Marble

Agility Intro Instructor

Dorothy has been training and showing dogs for over 20 years, starting with her Golden Retriever, Chauncey who earned his AKC CD title with very nice scores and placements. Dorothy's next dog was a Sheltie named Kyle who she trained to the higher levels of obedience; the AKC CDX and Utility dog titles. After gaining experience and confidence from the first two dogs, Dorothy's next dog was a wonderful working sheltie named Riker, who she also showed in Canada as well. Riker has multiple titles and placements not only in obedience, but also in Agility and Rally.

Dorothy's currently has a Nova Scotia Duck Toling Retriever, Paris who is working in Utility in Obedience and working on earning the Master Agility Championship in Agility. She also has a youngster, Geordi, a fast working sheltie who has Novice Rally titles and is getting started in Obedience and Agility.
