

## Eileen Hyde

### Assistant Instructor-Sub Novice, Puppy K

Eileen has been involved with dogs since 1990 when she joined Tri-County Collie Rescue. That inspired her interest in obedience and she began training her collie, Max. Eileen has fostered many collies and papillons for rescue, which has helped her become very experienced at household obedience training. In both Collie and Papillon rescue she's the "go to" person for helping rehabilitate dogs for placement.

Formal Obedience and Rally competitions are her new passion and she's been busy putting plenty of titles on her Papillon, Raven. In addition she has put several Companion Dog titles on Collies Maxwell and Morgan, and CGC and herding instinct certificates. Papillon Radar has CGC, RA titles, Raven has earned CGC, CD, and RE titles. She is also active in the Beaumont Pet Therapy Program, volunteering several times a month.
