

Diane Bartlett

I got my first Gordon Setter in 1992 and have had 5 Gordon Setters and 2 shelties. I've trained and competed in AKC hunt tests, obedience, conformation, agility, and lure coursing. My dogs have earned AKC conformation championships, junior hunters, obedience titles including 2 UDX's, agility NA and NAJ, and a lure coursing CA. Three times I've had the top scoring Gordon Setter in obedience in the Gordon Setter Club of America.

I have a passion for learning about dog training, and have attended and participated in many obedience seminars, clinics, and webinars. I find that methods are always evolving and finding new ways to help the dog understand his job is very rewarding.

My current canine partner, Tally is a 5-year-old Gordon Setter bitch that I bred. We just finished her UD and I am looking forward to starting the UDX journey with her soon.
