### PUPPY S.T.A.R

Gina is a graduate of Tartleton State University, TX where she studied Animal Husbandry with Equine Emphasis. A long time horse lover, and owner, she trained horses until 1995. She started training dogs at the tender age of four and has always trained her household dogs for basic obedience and for fun, to do many tricks. Now that she no longer trains horses she devotes even more time to training her Boston Terriers in Rally and Obedience and has put a number of titles from Rally RN to RAE and Obedience BN to CDX. Gina is currently working one dog towards a Utility title, two young dogs to prepare

them for BN and Rally Novice. She's also working with two puppies to earn their Canine Good Citizen.

Gina loves using the clicker to help teach her dogs new behaviors. She teaches its use to puppy owners in the S.T.A.R. class.
