Two earned their CDXs and two a CD; her current dog, Emily Anne, is training for utility. Emily Anne is also successfully competing in various venues and has earned titles in Scent Work, CAT, FAST CAT, Earthdog, Barn Hunt and several other areas. Her newest interest is Carting.

Look, mom, it's right here!

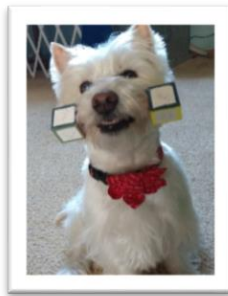

Beth has been a member of Sportsmen's for several years. When a customer demand for additional scent work classes arose, Beth began offering Friday daytime classes. Her Intro class is for dogs who have never learned the sport, or whose owners feel they need more work at the basic level. In this class they are introduced to the AKC scents and taught the basics. After this class

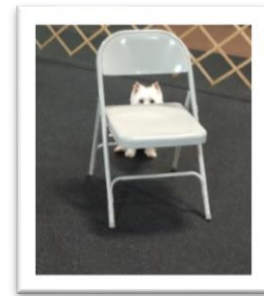

many students have gone on immediately to earn novice titles. Following this class, is a Scent Work ongoing class which gives students the chance to practice what they have learned in various situations and for various venues. This class is also a walk-in class for those who cannot make it every session.
