Think about training your dog for a UD title ?

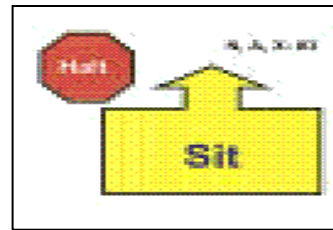

On Sunday, January 13th, 2013, Cherie Berger will present a program on how to train your dog for Utility competition.

This program is for Sportsmen's Members & Associate Members. There will be no fee involved. All parts of Utility training will be covered, from thinking about it, to competing. There will be several handouts for you to refer to later. When we get closer to January, Cherie will need to know who plans on attending so that there are enough handout packets for everyone.

Responsible Dog Ownership Day

by Barb Popyk

Sportsmen's Dog Training Club and the Irish Setter Club of Michigan partnered to promote Responsible Dog Ownership (RDO) Day on Saturday, September 15th, at Pet Supplies Plus. The Sporting Group was well represented by Golden's Louie & Holly (Virginia Smith), Springer Spaniel Ford (Dena Norton), and Irish Setter Kelly (Barbara Popyk).

All of us, dogs included, had fun. We answered questions and gave training tips to customers who stopped by our table. Many people thought we were a rescue group. And we explained these dogs were ours and we were taking them home. LOL. Lots of comments about how well behaved the dogs were. What a great opportunity to step in and tell them about Sportsmen's. Hopefully, we encouraged some pet owners to enroll in our classes and tell their friends about us. A former agility student walked by and indicated she would like to train with us again. Lots of brochures and enrollment forms were passed out.

Thanks go out to Michelle Caldwell. She made a professionally done poster and flyers with pictures of our dogs and the Irish setters as well as the dogs doing performance events. Thanks Cathi Winkles for allowing Michelle to use pictures from your website. They were really eye catching. And the best part was there was no date on any of them so they can be used again. And thanks to Dena Norton and Virginia Smith for spending their day helping promote Sportsmen's.

Pet Supplies Plus was a great. They gave us a nice large space to sit down with a table. There was also room for our dogs and crates. I asked about doing this again and they said as long as they had nothing else going on, it would be fine. So, this could be an ongoing opportunity to promote Sportsmen's and a service credit for some of our members.

Thanks again to all who made this event possible.

This election day your right to own and breed a dog

could hang in the balance

Mandatory spay/neuter, laws that limit ownership, breed-specific laws and breeder restrictions can impact your right to own and breed dogs. Know your candidates' views on dog ownership and breeding before you vote.

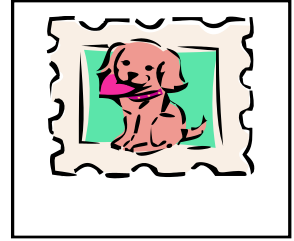

For more information about canine legislation and policy, contact Government Relations at 919-816-3720 or doglaw@akc.org.
